

Audit Senior

We are looking to recruit Audit Seniors due to increased levels of activity and demand in the audit and assurance department. This is an excellent long term career opportunity to the right candidates with strong general audit experience and who want to further develop their career within the audit environment.

The selected candidates will be reporting to the audit manager and be responsible for carrying out ISA statutory audits for a portfolio of clients reporting under the GAPSME or IFRS frameworks.

The ideal candidate needs to have a professional approach and the ability to work independently whilst being a good team player with a positive attitude. Experience of performing audits on audit software will be considered as an asset.

Applicants must be in the final stages of attaining their ACCA qualification, or be in possession of a University Degree in Accountancy.

Applicants must have a minimum of 3 years' working experience in similar or related posts, of which at least 1 year in an audit environment.

Interested candidates are requested to send their CV, together with a covering letter, to admin@wdm.com.mt
